

Special LEC meeting
Sept. 20, 2008
Lunchtime at Camp Munhackle Fall Fellowship

Those present

Eric Muir, Mark Rosiek Jr., Matt Dunavant, William Cook, Jason Strimpel, Matt Strimpel, Matt Thrift, Tony Halberstadt, Cory Strack, Evan Medvec, Nathan Allen, Ryan Schroeder, Dee Slate, Jason Howse, Marty LaVoy, Sonny Strimpel, Chuck Krochmal, Dennis Stratton, Brent Buchanan, Michael Jedinak, Bill Dunavant, Bob Joslin, and Chris Gorski.

NOAC Patch designs were presented by Jason Howse for consideration. Comments were made and Jason agreed to take recommendations back to design group.

When lodge held LLDC Properties manager Dee Slate had requested that the lodge pay for paint supplies to be used at Fall Fellowship. There were not enough members present for a quorum at LLDC, the amount of the bill was \$223.60. Motion was made and approved to pay for the supplies.

Mention was made that due to Woodbadge training on same weekend as Fall Fellowship there was some conflict for staff and participants. Several requests had been made to extend ordeal period for those attending Wood badge or other extenuating circumstances. At a special LEC at Spring Ordeal permission was granted to extend deadline for Gregg Stouder since he had to choose between Woodbadge commitment and OA Ordeal.

Special circumstances for each request were considered individually and extensions were granted for:

Karl Bangert – Woodbadge Commitment

Harrison Jones – Hospitalized

Charlie Krone – out of the country on business.

After discussion about the benefits of having a large service project to work at on ordeal and service weekends, a motion was made and adapted to adapt the Teetonkah Border Trail as an OA service project. No discussion of financing was included. Motion was made with the understanding that it must first be approved by Council Board and that it would be a three year project.
